

Provisional Chapter and Club Application

This form is to be filled out by provisional chapters and clubs that wish to have contact info listed on the UAAA's website and who wish to receive provisional support.

Definition of a Chapter

A chapter or club is an alumni group in a defined geographic region that supports the missions of the University and the Alumni Association through its activities. Each provisional chapter and club must have at least 350 full time alumni residents in the geographic area to begin the provisional status.

Definition of a Club

A club is an alumni group whose members share a common academic, cultural or professional interest that supports the mission of the University and the UAAA through its activities.

Mission and Vision Statement

The UA Alumni Association affiliate network builds a connection between alumni locally and across the U.S. by strengthening the bridge between the Wildcat Nation and the University of Arizona. Through meaningful, impactful, and diverse events, as well as communication and leadership, affiliates are an invaluable resource and active stewards of the Wildcat for Life tradition.

As keepers of the flame, our affiliates act as connectors and mobilizers while influencing alumni engagement and action.

Impact Statement

1. Membership is strengthened
2. Contact/communication is increased
3. Scholarships are awarded
4. Donors are made more easily visible
5. Next generation of Wildcats are recruited
6. Wildcat pride spreads
7. UA presence and influence increases in regions across the country
